FOREWORD

The problems surrounding the movement of players between the S.S.M.F.L. and the W.A.N.F.L. continues to be a source of irritation to the League.

Delegates expressed concern this week over a letter sent to each club from the South Fremantle Football Club. In it, Souths outlined their policy on players moving away from their club to SSMFL clubs.

In essence, Souths said that players they considered to be of value would not be cleared free of charge.

League delegates felt this was contrary to a verbal agreement given to a SSMFL delegation by the directors of the WANFL.

However, Souths attitude may not be as unrealistic and unreasonable as it seems to some.

Their general-manager, Mr. Brian Thirley, said this week that a transfer fee would only be placed on a player's head if they considered him to be a "negotiable asset."

He said the club considered such a player to be of proven ability or who had cost Souths money and had no affiliations with the SSMFL club he wanted to go to.

He said there was no suggestion that a player taken from a club within Souths zone, such as Kwinana, would have a fee placed on him if wanted to return to that club.

He said the player, would in fact, be encouraged to return to his original club if he wanted to leave Souths.

However, if the player wanted to play for another SSMFL club, then it was possible a fee could be asked. He said this fee would possibly be redirected to the player's original club.

Mr. Thirley said Souths had a responsibility to clubs within their own district and this was the sole reason for their attitude. He said club's had been circularised as a matter of courtesy.

He said if the club saw fit to clear an unproven player permanently or on a temporary basis, he would be cleared without a fee, providing there were no irregularities to the case.

Souths policy in this regard has already been endorsed by the temporary clearance granted to Kevin Dale who now plays with Kenwick. No fee was charged.

Souths attitude does not seem unfair. However, an anomaly does exist when a player can move in one direction (from the SSMFL to the WANFL) without a clearance but requires a clearance to move back. Such a situation is easily abused.

Mr. Thirley also pointed out that his club had always extended the courtesy of submitting a clearance application to the appropriate SSMFL club if they secured a player from the league.

TODAY'S GAMES:

Gosnells should maintain their place in the four by defeating Kalamunda at GOSNELLS OVAL. Gosnells regained some system and confidence last week and they have another opportunity today to consolidate and prepare for an imminent final 'final' against Canning in three weeks time.

Canning's bubble burst last Sunday and their recuperative powers will be fully tested against Kenwick at WYONG OVAL. Both sides look evenly matched but Kenwick are a well disciplined unit and their game has a little more depth than the Tigers.

Thornlie's big-man power is likely to crush Mandurah at THORNIE OVAL. Neither side has lived up to its first round promise but in Thornlie's case it appears to be a lack of application rather than skills and natural ability should see them through.

Maddington have been indulging in a little self-infatuation in recent weeks which has detracted from their performances but they should still defeat Armadale at MADDINGTON OVAL. Armadale's competitive attitude should help motivate the league leaders.

Kelmscott face a danger side in Kwinana in their quest to hold second place. Kwinana run hot and cold and they will be favoured by MEDINA OVAL. However, Kelmscott's greater ability is unquestionable and only complacency will cost them their prizes position.

THE KNIGHTS NOTES

This Sunday we are host to Kelmscott and a double is an absolute must. Give one hundred minutes of guts and determination and both teams will finish with the required result.

Last Sunday's games, although uninspiring, resulted in comfortable victories for the Knights but one thing is evident — we only play as well as we need to against weak sides. And talking about weakies, it's obvious we have a few around the club. Attitude towards hardworking coaches and committee is atrocious and I hope we see a new attitude adopted today.

The seconds last week were disappointing because we expected to 'kill' them but found ourselves struggling with only fourteen players to start the game. Murray and Mick began with us to make it sixteen. Two weeks ago Murray had twenty five players to choose from, now he has a handful and the seconds still have a chance for a finals birth. It is a credit to those that did play, that they did it so well to win by about six goals. Best players were S. Muir, T. Manion, G. Rose and G. Mills.

The league side started in brilliant form notching six straight, but fell into a hole. Kalamunda fought back strongly to come within a few points of us repeatedly and it was only in spasms that we could turn on good football. At the long break we were only three points in front but with a good third quarter established a match winning lead by the three quarter time break. More goals came in the last term and we won by about seven goals. Best players were R. De Boer, F. Legena, B. Keep, M. Lloyd and D. Ridley.

I invite Kelmscott Club to remain for a few drinks after the game.

FOOTBALL GAZETTE 4

IN THE LIONS LAIR

Because of the closeness of the score in the reserves you could almost say the game against Maddington last week was a non-event. However we must take the 'good' with the 'bad' if we are to continue to push the club to greater things. Apologies to coach Morcom for the team not registering a score. However, all is not lost, if the same dedication is given and an increased endeavour shown, this week we should be able to crush the Seaside. Best Players — Bruce Deters (gave all he could against overwhelming odds — well done Bruce) Steve Phillips (tireless all day in the ruck) Steve Vickers (an 'A' grade performance) Trevor Morris) no class but all guts — always has a go).

The league side fell to the Bulls on the final 25 minutes after running right up to them for three quarters. No doubt Fred Senior and Bruce Comley were pleased to see a will to win and an extra competitive spirit in the side again. Best Players — Fred Senior (held all at bay), Steve Whyte (you should call this guy Hercules, Samson or Atlas), Harry Zanetti (good solo performances when needed), Dave Payne (number two kick getter for the Lions), Bruce Duplock (picking up more award money than a dole cheat), Bob Whyte (got some good goals).

Warm welcome to the 'Mandurah Mob' and hope you all stay and 'sip the suds' with us after the match — win, lose or draw.

LURKING (stiff and sore) LEO.

TIGER TALES

An 11 point defeat at the hands of Kelmscott last Sunday makes today's clash with Kenwick vitally important in our quest for a berth in the top four. The one loss we had budgeted for in the second round has happened — we must defeat Kenwick today if our plans for a first semi-final appearance are too be realised. Indiscriminate kicking for goal and crowding of the forward line during the last quarter were mainly responsible for our loss. Paul Polsen will no doubt certainly hammer home these points to our players and a more accomplished performance can be expected in today's game.

Though it is disappointing to lose a game, that we should have won, our supporters may rest assured that we have the material to win a place in the top four and the talent to acquit ourselves very capably when there.

Our very classy young wingman, Craig Nock, must have nearly clinched the Sports Review Sunday Player of the Year award with a typically brilliant performance against Kelmscott. This award has developed into a 'Canning only' affair with John Vlahov currently running second in the voting. John is also currently leading in the "Kenwick Motors \$200" budget award and it would appear very likely that these two must also feature prominently in the SSMNFL fairest and best trophy.

Supporters are reminded that our incentive scheme is now fully operational. Donations may be made to support the team to finish in the top four and subsequently a premiership. Today's important game is an ideal time to provide a little extra incentive to our players so pledge your donation on the board in the change rooms.

THE BULLDOGS

Last Sunday the Bulldogs ended the winning run of Canning in a closely fought game. With minutes to play the scores were tied but Kelmscott rattled on two quick goals to clinch victory. Canning had every opportunity to win the game in the final term, however the cool, experienced play of Kim Turner and Peter Edwards in defence rattled the Canning attack into making many errors, which resulted in them kicking 1 - 7 for the term. In contrast Ray Witt and Paul Hansen for the Bulldogs were the spearheads for a final term score of 7.1.

The man of the match was most definitely Brian Andrijich. His lion hearted, often single handed efforts kept the Bulldogs in the game for 3 quarters and finally led them to a fighting victory.

In the reserves Kelmscott had little difficulty in defeating Canning, however the game was of poor standard and the players will have to start thinking of putting in a 100% effort for the rest of the season to have any show in the finals, which are just around the corner. Best players for the reserves are Claude Clissa, Alan Scari, Alex Stoma and Greg Walker.

S. CANINE

THE SEASIDERS

After starting the game in good style against Gosnells last week, we went on to endure a fairly crushing defeat of 16 goals. We were leading at the end of the first quarter and it was heartening to see our players going in with so much enthusiasm. However, a poor second quarter let Gosnells establish a 7 goal lead by half time. The second half saw Gosnells pour on the goals while a dispirited Mandurah side attempted to keep up with the stronger and more determined opposition. Best players were Brian McKay playing as a rover, Shane Sutton at centre-half forward and Norby a wing and Danny Hillen roving.

The Reserves final score was somewhat better than the league sides but they too went down to Gosnells 16.15 to 7.6. All players put in a good effort but the best of them were Ron Powell at full back, Bill Day at centre half forward, Don Skipworth roving, Kevin Luff on a wing and Danny Hillen roving.

Today we play Thornlie at Thornlie and we are hoping for a win.

THE HAWKS

It was great to see the mighty Hawks return to form last week with a double victory over Mandurah. The league ran out winners by some eighteen goals, despite the loss of our captain-coach Peter Dougan who sustained a head injury and was forced to leave the field in the first quarter. Also Colin Castensen suffered a bad knock which resulted in the loss of his front teeth. This was a nasty accident and we extend to Colin our best wishes for a speedy recovery. We also trust that Darcy has a quick recover and we look forward to his early return to play. Best players for the league were Ray Minson at centre half back, Ken Reynolds at centre and Murray James roving. Congratulations on your fine win fellas.

The reserves once again proved their supremacy with another convincing victory, winning by some ten goals. Best players for the reserves were Brian Antunavich the teams ruckmen, Dick Morphett, ruck rover and Lee Bain playing on the ball. Once again the performance was an all round team effort and I can see no stopping the side.

The club and supporters extend their best wishes to Noel Keighly the under sixteen's star footballer, for a speedy recovery. Noel sustained a fractured ankle some weeks ago which has been giving him quite a lot of trouble.

SOCIAL: The clubs annual windup dinner will be held at Cannington Greyhound Centre in October and this should prove to be an exciting and refreshing venue. Tickets will be \$20 a double all inclusive. More information on the wind-up dinner in next week's gazette.

MIGHTY ROYALS

The Royals gained 2 wins against Armadale however, both sides would be far from impressed about their performances. Whether it was the attitude or the ground itself we must adapt to the prevailing conditions and take all remaining games seriously as we must take over second place in both grades.

LEAGUE? Although this game was never in doubt our method of play and the shocking goal front inaccuracy especially after half-time when we kicked 5.18 to Armadale's 5.3, left something to be desired. Many players were found wanting and if it was not through the magnificent display of all over the ground roving by Alf Stal and goals capped off by his co-rover Geoff Truscott, the royals might have been in trouble. Players contributed in too many short bursts — one quarter our rucks in Kevin Dale and John Risely would take control then lose it the next quarter. The sarn occurred in our forward line where Grahal Nicholas in the first half and then again in the last quarter took some excellent marks, but had a lapse in the third. Kevin Wilson and Leon Ryan were exceptions to the rule and their efforts were worthy of mention.

SECONDS: Contrary to the league, the second's first half was well below standard, and although our second half was not premiership football, the backline allowed only 4 points to be scored against them, whilst our forward line was given many opportunities. Coach John Risley asked the players at half-time to be more desperate and throw caution to the wind, but I'm sure a certain player took him too literally and almost came to grief. However, players who responded to his pleas were Nick Catalano, Wayne Ogg and Wayne Hill — all contributing fine efforts. Darryl Ogg and Ray Shepherd were other fine players, whilst Neil "Bozo" Fry played a gutsy first half.

We travel to Tiger Country this week so lets improve on last week's game.

SOCIAL: Ladies its your turn for a night out — Wednesday 11th August at 8.00 p.m. Jenny Clemesha will compare a summer fashion parade at the Club Rooms. 40 Odd garments will be on show and will be available at very good prices. Entry fee is \$5.00 which includes refreshments.

DEMONS DIGEST

'NOT FOR NIX - IN '76!'

Today we visit Maddington F.C. the "Bulls" and whilst we did well enough against them at home this year, we are now more settled and determined and should do even better this time.

Last week, against Kenwick, the league side put up a good showing against their bigger opponents, The Demons made up a lot of leeway in the final quarter, but found the gap too big too close. This side has dispelled its habit of not coming back hard enough, and should benefit from their new attitude in today's game. The best players in this game were Charlie Tenardi, Gary Greer, Peter Wilkes, with the mark of the day going to Ernie Dingo. Johnny Erceg's game, as with every game this year, was one of continuing consistency. This player hasn't played a bad game all season. "Killer" Davey must have had a "Blue" with Mr. Gillette or somebody, he looks more like Abdulla Himself these days!

The reserves had to succumb to Kenwick's greater strength and size also, but to their credit, accepted the challenge and had a go. Best Players were Johnny Rowe, Brian McGrath, and Rory the 'Coffee Carter'. It's a pity 'Doc' Forkin didn't start earlier this season, for I feel that by now he would be pushing for his old League berth.

The Under 18's came back into reckoning again with a good win over Kenwick at Kenwick. Best players were 'Hendo' Ivan Vudrag (you know who) Parker and Veg Fulgrade. Pressure demons, Pressure!

NOTICES: Raffle Tickets on Sale 50c each, excellent prizes, See Abdulla or Sarge for your book(s).

WIND-UP — Friday 1st October, 1976. Limited tickets. See Sarge soon!

PEEGEE

TALK OF BULL

Last week's encounters against Thornlie proved successful in both grades.

The league game was close and exciting for three quarters, but in the last quarter Maddington produced good pressure football and ran all over their opponents. Those to show out were Barry Stockden, D. Cometti, Rod Mohr and John Duthie.

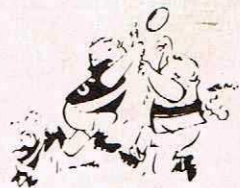

The seconds side displayed a powerful brand of football. With their constructively handball, good backing up, intelligent talking, and a general high class effort they were far too good for the opposition. Not only did they win convincingly, but also held Thornlie scoreless, and its a long time since this last happened. The side had eighteen good players but those who deserve a special mention are Dudsy, Doug Bushell, Vince Slavin and Mort.

With the finals only a month away, everybody must search for that little extra, and lift their game accordingly, so that we can be successful in both grades and win TWO PREMIERSHIPS this year — once again proving that the best club is Maddington.

LOST & FOUND NOTICE: Our secretary Ron "Kojak" Jarvis has lost a hair piece and anybody who may have found it, is asked to return it immediately so that my true age of 32 years can be kept a secret.

FINALLY: All club members are asked to return raffle books — fully sold now, as the drawing is only a few weeks away.
